

Steps to Query Oregon RAIN from ALEISS  
<http://rainlinc.org>

The screenshot shows the COPLINK application window. The 'Person Search Form' is visible on the left, with fields for Name (LAST: Doe, FIRST: John, MIDDLE: ), Moniker, Race (WHITE), Sex (MALE), Age (25-30), DOB (??/??/????), HT, WT, Hair, Eyes, Complexion, Build, Ethnicity, and Country of Birth. On the right, the 'SEARCH FOR' pane is open, showing a list of search criteria with checkboxes: Person, Organization, Location, Phone, Event, Cell, Vehicle, Firearm, Property, Security, and Document. The 'Associated With' section is empty. Below the search criteria, there are buttons for 'Remove', 'Reset', 'Find Path', 'Find Associations', and 'Retain Visualizer Results'. At the bottom of the search pane, 'NODES' and 'CASE FOLDERS' are listed. A red arrow points to 'NODES'.

1

to query Oregon RAIN  
click NODES

The screenshot shows the COPLINK application window with the search results pane on the right. The 'NODES' section is expanded, and a list of nodes is shown: 'ALEISS' and 'OREGON-RAIN'. Both nodes have checkboxes that are checked. A red arrow points to the 'OREGON-RAIN' checkbox.

2

Check the box  
OREGON-RAIN

The screenshot shows the COPLINK application window with a new tab open. The tab is titled 'OREGON-RAIN' and is highlighted in yellow. A red arrow points to the tab. A text box with a white background and black text says 'Oregon results will appear in a separate tab'. The main window shows the search results for 'ALEISS' and 'OREGON-RAIN'.

when the COPLINK logo  
stops spinning results will  
appear in separate tab
